

## FINANCIAL ANNOUNCEMENTS

15 April 2024

*The **International Humanitarian Conference for Sudan and neighbouring countries** took place on 15 April in Paris. The event was co-hosted by France, Germany and the European Union. It brought together representatives of Member States, international and regional organisations, UN agencies, international and local NGOs to raise public attention on the Sudan crisis and the challenges for humanitarian access as well as to mobilise funds to meet the needs of people in Sudan and the region.*
